For Fun...

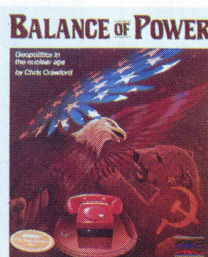

GAUNTLET

This is it! One of the most successful arcade games of all time has come home! It brings with it all the characters, dungeons, traps, treasures and excitement you loved in the arcades.

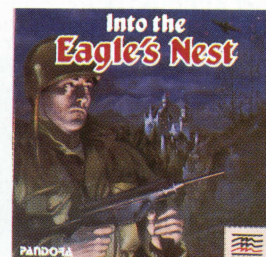

PAPERBOY

You've seen him in the arcade. Now Mindscape takes Paper-Boy home in this coin-op classic. Thrills, spills and chills await as you ride your bike through the avenues of not-so-typical suburbia.

BALANCE OF POWER

You are the President of the US or General-Secretary of the USSR. Work to build the prestige of your country without lingering too much on your adversary's interests or you could unleash the war that would annihilate mankind.

INTO THE EAGLE'S NEST

Three soldiers are being held in the Eagle's Nest, the top secret Nazi fortress. Penetrate the Eagle's Nest. Rescue captives before they break. Save as many art treasures as possible. That's your job. Good Luck.

INFILTRATOR II

Follow-up to the blockbuster hit "Infiltrator." This time fly your Gizmo DHX-1 Attack Chopper to three totally new, totally challenging ground missions. Can you hack it, Johnny "Jimbo" McGibbbs? Great graphics and sound!
